

## **Next Steps**

### **What's next?**

Congratulations, you've successfully completed the Becoming a Secure Coder Course! You've learned about what it takes to become a secure coder and to have a secure coder mindset.

Next, check out some other Cybersecurity Content!

[Fundamentals of Cybersecurity Skill Path](#)

[Introduction to Ethical Hacking](#)

Also, look for more content coming soon about writing secure code in specific languages!

Once again, congratulations on finishing the Becoming a Secure Coder course! We are excited to see what you accomplish next.
